

Universität Stuttgart

Reflection Lounge

Intelligent Systems in our
Society

Melanie Martinelli and Jimbo Clark take you on an interactive experience where you can discuss and reflect the role and potential consequences of intelligent systems in our society as well as your field of expertise.

Come and join us and your colleagues at this after work, informal event to collaborate and exchange questions, concerns, ideas and opinions about this very present issue.

➤ ***When?***

October 18th 2021 (6:00 – 8:00pm)

➤ ***Where?***

Online (Link and further information will be sent after registration)

➤ ***Who?***

Everyone who would like to exchange their thoughts, concerns and ideas about intelligent systems

➤ ***Registration***

Since there is limited space, please register until October 13th, by sending an Email with your name to:

tabea.berberena@ife.uni-stuttgart.de
